
AL ETIHAD GOLD FZCO MISSION

Al Etihad Gold is a gold & silver product and associated service provider, fully committed to offer the **highest quality of products and services**.

Al Etihad Gold is driven by its commitment to **excellence and leadership**. The company demonstrates this by:

- Offering the **highest caliber of gold and silver products and services** to myriad clients from across industries and geographical locations
- **Demonstrating trustworthiness** through local and international accreditations.
- Fostering **a culture of innovation and improvement** where new ideas are welcomed and new markets explored
- Building a work environment where each individual, irrespective of grade, is valued and has an opportunity for personal and professional growth
- Strengthening relationships with partners, regulatory agencies and the local community

Al Etihad Gold is focused on **absolute customer satisfaction** - the company endeavors to offer the highest degree of **efficient, timely, secure and courteous service** to clients regardless of the size of business they bring.
